25 Cup Coffee Urn
Cinnamon Coffee

The image shows a woman with long dark hair, wearing a blue and white plaid shirt, smiling and holding a white coffee cup. She is sitting at a table with other people. In the foreground, there is a silver NESCO 25 Cup Coffee Urn with a black base and a black lid. The urn has a spigot and a red power button. The text "Cinnamon Coffee. Yes." is overlaid on the image. The NESCO logo is also visible on the urn and in the bottom left corner. Below the urn, there are some cinnamon sticks and a small pile of ground cinnamon.

At your next party, treat your guests to a cup of Fresh Brewed Cinnamon Coffee from your NESCO 25 Cup Coffee Urn. Simply add two to three teaspoons of ground cinnamon sprinkled over your favorite coffee grounds before brewing. Not only does the cinnamon add light and wonderful flavor, but it also smells heavenly. For a creamier and sweeter cup, serve the half-and-half and your favorite sweetener. You can also experiment with nutmeg, pumpkin pie spice, or vanilla.
