

Our Favorite Food Dehydrator for Preserving

As hard as it is to believe, spring is on its way, which means produce lovers across the country are gearing up for another abundant season. Herbs are one of the first plants to pop up, and for those of us who know just how plentiful they can be, a food dehydrator seems like a better idea each and every year.

It's the perfect way to extend the life of those aromatic leaves and sprigs, and now's the best time to buy one. [One of our tried-and-tested favorites](#) is on sale: Score the [Nesco Gardenmaster Food Dehydrator](#) while it is 43% off at Amazon. The biggest bonus? It's our top choice for dehydrating those delicate herbs.
