

# Augratin Potato Chips

You'll never reach for another bag of store-bought chips after trying our Augratin Potato Chips. Our recipe is healthier than packaged potato chips because it uses less salt, swaps preservatives out for fresh ingredients, and eliminates oil by using a NESCO Dehydrator. Indulge in this cheesy, crunchy snack as a side or by the handful.

## Your Key Ingredient:

[NESCO Dehydrator](#)

[NESCO Fruit Roll Sheets](#)

## Grocery Ingredients:

3 cups potatoes, peeled, boiled, and mashed

1  $\frac{1}{2}$  cups sharp cheddar cheese, grated

1/2 cup Parmesan cheese, grated

1/2 tsp salt

## Instructions:

1. Put all ingredients in a blender and mix.
2. Spread on **NESCO® Fruit Roll Sheets**. Place in your **NESCO® Dehydrator** on dehydrator trays. Dry for 4 hours.
3. With a clean butter knife, lift entire ring off sheet, turn over and dry for 1 hour longer, or until dry enough to break into pieces.
