

Cherry Pineapples

These delicious dried cherry pineapple snacks taste just like candy. Chewy, tart, and tropical, you won't be able to keep them stored in the pantry for long.

Your Key Ingredient:

[NESCO Dehydrator](#)

Grocery Ingredients:

- 1 can pineapple rings, any size
- 1 jar maraschino cherries, any size

Instructions:

1. Drain canned pineapple rings and cherries then place on paper towels for a few moments to finish absorbing any liquid.

2. Place pineapple rings in your **NESCO® Dehydrator** on trays and put a cherry or two in center of each. Dry 8-10 hours at 135°F.
