

Dehydrated Dog Treats

Create the perfect healthy snack for your furry friend with this easy, homemade dehydrated dog treat recipe. Packed with natural goodness, it's a tail-wagging delight that you can feel great about!

Your Key Ingredient:

[NESCO Dehydrator](#)

Grocery Ingredients:

- 2 1/2 cups whole wheat flour
- 1 large egg
- 1 cup peanut butter
- 1 cup water
- 1 tbs. honey

Instructions:

1. In a large bowl, combine egg and flour. Add the peanut butter, water, and honey, and stir until you have a stiff dough.
2. On a lightly floured surface, roll out the dough and use a cookie cutter to make cute shapes. The treats do not spread or rise so you can get really creative.
3. Place the treats in your NESCO® Dehydrator trays. Make sure they are not touching.
4. Dry at 145°F for 12 hrs until dry. Rotate the trays at 4 hours and check at 8 hours.
5. Store in airtight container. □
