

Elevate Your Tea With Dehydrated Fruits And Herbs

This holiday season, try adding dehydrated fruits and herbs to add a boost of flavor to your afternoon cup of tea. Start with a cup of hot water from your NESCO Glass Water Kettle and your favorite tea. Then, add ground dehydrated oranges and dried cinnamon apple slices. Or, gently mix plain hot water with dried lemon slices and mint. This method also works great with cider or plain hot water. Start with small amounts and adjust to your liking.
