

NESCO®

Your Key Ingredient for Today's Kitchen

PRODUCT CATALOG

Who Is Nesco?

We are proud to supply consumers with reliable and innovative products for food preservation, holiday gatherings and everyday living. Since 1981, NESCO has been a part of the Metal Ware Corp. family of brands. Carey, which offers complimentary products to the NESCO line-up, joined the group in 2010.

Today, we offer our customers an in-house, knowledgeable Customer Service team that can still be reached by phone. Our Sales Team, Quality Assurance, Product Development and Manufacturing are housed at corporate headquarters located in Two Rivers, Wisconsin to offer service before and after the sale.

Grinders & Slicers

Food Slicers

Process more food and meat at home easily with a die-cast aluminum slicer. Available in multiple designs, you are sure to rely on this handy tool for more daily activities.

- Die-cast aluminum housing for durability
- Stainless steel wrapped food carriage tilts forward for ease of food removal
- Heavy duty slicing guard
- Adjustable thickness control dial ranges from deli thin to $\frac{9}{16}$ "
- Recessed power switch ensures safe use
- Non-slip feet provide a stable base
- Both food carriage and blade are removable for easy clean-up
- 180 watts

Master Pack: 2

7.5" Serrated Blade
Item: FS-200

8.7" Serrated Blade
Item: FS-250

8.7" Non-Serrated Blade
Item: FS-300

DC motor driven for quiet and smoother operation as well as longer run time

Food Grinders

Grind generous amounts of meat or vegetables in a short amount of time. Our grinders have a durable die-cast aluminum housing and die cast metal auger and feed tube. Easy-to-operate reverse function allows auger rotation to safely dislodge blocked food. Stable design prevents tipping. Disassembles for easy cleaning.

#5 Black Food Grinder

Item: FG-100

- Grinds up to 3 lbs. of meat per minute
- Easy to remove aluminum #5 grinding head and die-cast hopper
- Three grinding plate options: Fine, Medium, and Coarse
- Includes sausage stuffing tube, 2 stuffing plate attachments, food pusher
- 500 watts

Master Pack: 4

#5 Stainless Steel Food Grinder

Item: FG-180

- Grind up to 3 lbs. of meat per minute
- Easy to remove aluminum #5 grinding head and die-cast hopper
- Three grinding plate options: Fine, Medium, and Coarse
- Built-in plate storage
- Two speed settings: high for grinding and low for stuffing
- Stable design prevents tipping, disassembles for easy cleaning
- Includes sausage stuffing tube, 2 stuffing plate attachments, food pusher
- 500 watts

Master Pack: 2

#8 Stainless Steel Food Grinder

Item: FG-600

- Grind up to 5.5 lbs. of meat per minute
- Easy to remove aluminum #8 grinding head
- Two grinding plate options: Medium and Coarse
- Large hopper with parts carrier
- Storage cover which doubles as a meat tray
- Control dial with Grind, Stuff, and Reverse speeds
- Stable design prevents tipping, disassembles for easy cleaning
- Includes sausage stuffing tube, 2 stuffing plate attachments food pusher, plate cleaning pad
- 750 watts

Master Pack: 1

Canners

Smart Canner

Item: NPC-9

- Makes canning easier, eliminates the common mistakes that cause harm or spoil food during the canning process
- Multiple built-in safety features
- Designed for pressure canning, cooking, steam cooking and slow cooking
- Removable 9.5 quart. non-stick aluminum inner pot, canning rack, steam rack, safety lock lid, and removable condensation catcher
- Multifunctional digital display with timer and pre-set programs
- Includes standard and high-altitude limiting valves, 10 PSI and 15 PSI
- Durable stainless steel body is lightweight and has side handles for safe handling
- 1200 watts

Master Pack: 1

Canner Accessories

Manual Pressure Canner

16 Quart Item: MPC-16QT | 24 Quart Item: MPC-24QT

This is just what you need to preserve your garden's harvest or whip up a batch of sweet and crunchy dill pickles. Works with half-pints, pints and quarts.

- Heavy gauge, rust-proof, polished aluminum
- Suitable for gas stove, sealed electric, ceramic and electric coil
- Will work as pressure canner and pressure cooker
- Built-in pressure valve
- Cover locks for additional safety
- Reliable sealing ring for good performance
- Accurate and easy-to-read indicator valve
- Includes canning rack

Master Pack: 1

*Available in
two sizes!*

Stainless Steel Food Mill

Item: SSFM-1QT

Take control over the texture of your purees, sauces and more. Firmer foods can be steamed or baked to soften them for mashing. It's easy to eat healthier when you have the tools in your kitchen to help with processing your own vegetables and fruits without additives and chemicals.

- Mash soft foods and strain pulp, skin, fibers, and seeds
- Use to make sauces, applesauce, jams, mashed potatoes, baby foods and more
- Three blades: Fine, Medium, and Coarse
- Easy to take apart and clean. Dishwasher safe
- Made from quality stainless steel
- Rotary handle easy to turn
- Silicone-covered long handle, grip, and knob
- Non-slip handle secures easily to bowls and pots to prevent slipping
- 8" wide

Master Pack: 6

Electric Food Strainer

Item: FST-4130R

Easily make your own sauces, jams, pesto, baby foods and more with this electric strainer. It's great for tomatoes; simply steam or bake to soften and then insert into the large hopper. Voila! No seeds and no skins. Healthy eating is much simpler and quicker thanks to the NESCO Electric Food Strainer.

- Automatic shut off function
- On, off and reverse touch button
- Three detachable stainless steel screens
- 250 watts

Master Pack: 2

Mandoline Slicer

Item: MS-818S

The perfect tool for preparing home-cooked meals or prepping food for preservation. Consistently slice fruits and vegetables quicker; definitely easier than slicing by hand. The Mandoline Food Slicer features two built-in blades that can be adjusted with a single turn of the dial. From paper-thin cucumber spirals to chunky green peppers for salsa, you will be impressed with the versatility of this stainless steel slicer.

- Prepare food faster and safer
- Produces consistent results
- Thickness and blade type can be adjusted with a simple turn of the dial
- Adjust thickness from 1 mm to 9 mm
- Rotating cylinder has two sets of julienne blades ($\frac{1}{8}$ " and $\frac{3}{8}$ " thick)
- Stainless steel surface
- Food holder for hand protection
- Rubber foot grip

Master Pack: 6

Electric Mason Jar Vacuum Sealer

Item: VS-MJ-2

Remove air from regular and wide mouth mason jars to extend shelf life of food. Foods that can be safely stored in vacuum-sealed jars include dehydrated foods, nuts, rice, flour, bulk spices, oats, powdered milk, dry ingredients, pasta, beans coffee, cereal and more. Please note that sealing your jars with a jar vacuum sealer is not equivalent to heat or pressure canning but is still a terrific way to preserve freshness.

- Removes air from glass canning jars and creates an airtight seal
- Suitable for regular and wide mouth mason jars
- Easy one-button operation
- Auto power off
- LED display to show battery power and seal time
- Portable, cordless, and rechargeable
- Fits wide mouth jars; comes with converter for regular-sized jars
- Includes: USB cable, bottle opener, 5 wide lids and 5 regular lids

Master Pack: 6

Small Appliances

Coffee Urns

Ample amount of brew needed? Choose one of our stainless-steel urns with easy-to-use dispensers and drip-free spouts. Removable coffee basket is dishwasher-safe. Water level marks for easy filling and skid-proof feet to prevent sliding and unwanted spills. Locking lids and stay-cool handles round out the list of features. 950 watts.
